

REMARKS/ARGUMENTS

Applicants thank the Office for allowance of Claims 1-23. New claims 24-43 fully supported by the original specification are presented herein for consideration. From the reasons for allowance given by the Examiner in the Notice of Allowability, it is believed that these new claims should also be allowable.

The application is now believed to be in condition for allowance and expeditious notice thereof is earnestly solicited. Should the Examiner have any questions or comments, which would place the application in better condition for allowance, he is respectfully requested to call the undersigned attorney.

Respectfully submitted,
